

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 1281 - SB 1310**

March 23, 2015

**SUMMARY OF BILL:** Removes obsolete section of statute that refers to annexation by ordinance. Increases from 30 to 60 days the time period after the certification of an election for annexation of territory to become effective.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The fiscal impact of this bill is not significant to state agencies; the bill is only relevant to local government entities.
- Annexation currently requires a referendum; as a result, any local impact would be considered permissive.
- Increasing the number of days before annexation of territory becomes effective will not significantly impact local government expenditures or revenues; therefore, the permissive impact of this bill to local government is estimated to be not significant.
